## Happy Valentine's Day

What a winter storm!! I hope everyone survived the snow, wind and ice without too much damage or inconvenience.

Leo and I spent this time down in Graham at the Farm. Fortunately, David and Kim returned home before the worst of it. Twelve inches of snow, no power, trees falling, etc. Even with the inconvenience of no power or water, it was rather exciting and enjoyable spending the time on the farm and with the family. The scenery was beautiful and the company was great. Fortunately we had heat.

If you had an experience or pictures you would like to share, please send them to me and I will publish in the next Tales. Marcia
